I've hidden a flag in this file. Can you find it? Forensics is fun.pptm

binwalk -e Forensics\ is\ fun.pptm

to get the files embedded in it

Search for files such as hidden,flag,secret manually

 perhaps I don't know perhaps everything I have done to get the job in tcs hacquest digital will be for nothing and I don't have other skills as well so what will become of me I wonder will I achieve what I want to my love life is a failure ofcourse cant be goods son as well so what is it I am trying desperately so in the end its just to somehow stay afloat
